The two large ones calling for more money than usual, are the complete loss at both Henry Knights and Clifford E. Chickering houses, in both cases the barns and out buildings were saved.

LIBRARIAN'S REPORT

January 28, 1943

To the Trustees of the Chesterfield Library:

Herewith is presented the annual report.

It is gratifying to note an increase in circulation of nearly two hundred volumes through the central library during this year of greater war activity and gasoline limitation. Many patrons take advantage of the book limit for each member of the family and consequently make fewer trips to the library. Even with these curtailments each Wednesday is busy at the library.

The total circulation for the library system was 5,365 volumes. Central library 3,199 with 1,392 adult fiction and 405 non-fiction, 1,177 juvenile fiction and 225 non-fiction. Spofford branch circulated 941 volumes with 702 adult fiction and 70 non-fiction and 169 juveniles. West Chesterfield reports 1,225 books circulated.

New books added to the library were 332 volumes. 103 of these were adult fiction, 47 non-fiction, 88 juvenile books and one reference book. There were gifts of 93 volumes and two portfolios. Adult fiction 14 and non-fiction 10. The balance are the encylopedias and dictionaries mentioned last year and 40 bound volumes of National Geographic magazines, added to reference material in accordance with the wishes of the donor.

The American Year Book purchased by the Hamilton and Beckley trust funds was the addition to the reference department this year.

An interesting portfolio on Harlan Fiske Stone was sent to the library by Mr. Luther Ely Smith of St. Louis, Mo.

A few interesting clippings and graduation programs from the Chesterfield Academy made up the other portfolio, a gift of Miss Pauline Fiske of Brattleboro, Vt.

A large safe has been placed in the library as a gift from the Friedsam Foundation Fund.

To the patrons register 30 names were added during the year, 17 were adults and 13 juveniles. There are now 143 active borrowers at the central branch. 105 residents and 38 summer residents.

The flag display in the children's room was given by Mr. Friedsam.

There were six book exchanges with the West Chesterfield branch and eight with Spofford.

Through the central branch 29 books were contributed to the Victory Book campaign and 57 from the Spofford branch.

Respectfully submitted,

SUSIE MORRIS,

Librarian.

REPORT OF THE BOARD OF HEALTH

There were several cases of Mumps in Town the past year. Some of which could have been prevented if people having them, also those exposed would report them to the Health Officer, so he could take steps to have them isolated, and quarantined if necessary.

Section 9 Chapter 133 Public Laws of N. H., reads as follows. "Notice to Individuals. When ever any person knows or has reason to believe that any member of his family or household has any disease required to be reported he shall, if no physician, or other person required to make reports under section 7 is in attendance, immediately notify the local board of Health of the Town or City in which he resides."

Several beaches on the shore of Spofford Lake were clean and supervised by Mr. Frank Whorfe. Several samples of water were taken from wells and springs and sent to Concord to be analyzed.

Twenty Milk Licenses were issued for the sale of Milk and Cream. Eight of which were issued to buy and sell Milk and Cream at Two Dollars each as follows. Paul Penning, Henry C. Chickering, Harry Nosek, Clifford E. Tuttle, John Ball, John Redding, Byron A. Davis and William Manch.

The temporary dump is still being used, as the New Highway was not finished until late in the Summer, a new location should be approved this Summer.

Respectfully submitted,
HAROLD E. RANDALL,
Health Officer.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

January 9, 1943

Board of Selectmen,
Chesterfield, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Chesterfield, which has been made by the Division of Municipal Accounting of the State Tax Commission in accordance with the vote taken at your annual meeting in March 1942. This audit covers the

fiscal year ended January 31, 1942, and the current year from February 1 to October 26, 1942. Schedules as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds and Library Treasurer.

FINANCES

In order to present a comprehensive picture of the financial condition of the town during the last ten years and the changes which have occurred in this period, certain statements have been prepared and will be referred to in the comments which follow.

Indebtedness, Valuation and Taxes: (Schedule A-1)

The Town of Chesterfield occupies an enviable position financially. This is occasioned by the fact that during the last decade there has been no bonded or any other long term indebtedness, and the town closed its last fiscal year, January 31, 1942, with a Surplus of over $5,000, as indicated by the Balance Sheet of that date. The assessed valuation has increased during the ten year period and the average local tax rate has been consistently lower than the average state tax rate. The 1942 rates were as follows:

Average State Tax Rate,	$3 23
Average Local Tax Rate,	$2 63

Revenues—Appropriations and Expenditures—1941: (Schedules A-3 and A-4)

The analysis of revenues, estimated and actual, and appropriations and expenditures for 1941, presented in detail in these schedules, indicates a net unexpended balance of appropriations of $1,790.07, a net excess of actual over estimated revenues of $204.74, with a resulting net budget surplus of $1,994.81. It is noted that the only appropriation which was overdrawn in any considerable amount was the appropriation for "Forest Fires," over which unfortunately it is impossible to exercise much control.

ACCOUNTS OF SELECTMEN AND TREASURER

Vouchers issued by the selectmen during the fiscal year ended January 31, 1942, and the current year to October 26, 1942, were examined as were also the supporting invoices and highway agents' payrolls. The cancelled checks of the treasurer, issued upon orders of the selectmen, were compared with the vouchers and found to be in agreement therewith. The receipts of the treasurer were checked by source, insofar as it was possible to do so. Totals of receipts and expenditures were verified. The treasurer's cash book balance as of October 26, 1942, amounted to $39,611.39. The reconciled bank balance of like date was in agreement with this amount. (Schedule B-1).

TAXES

The tax warrants of Collector Winn for the levies of 1941 and 1942, were audited and balanced as of October 26, 1942, as indicated by Schedules B-2-a and B-2-b, respectively. An examination was made of the tax sales records for the sales on account of the levies of 1939, 1940 and 1941. A summarized statement of these accounts appears in Schedule B-2-c.

TOWN CLERK

The accounts of the Town Clerk, including the issuance of motor vehicle permits and dog licenses and the receipts from filing fees, were examined for the fiscal year ended January 31, 1942, and the current year to date of audit. All funds received by the Clerk were accounted for either through remittances to the Treasurer or funds on hand at date of audit. (Schedule A-8 and B-3).

TRUST FUNDS

The saving bank books representing the invested principal of the various trust funds were examined. All funds, as indicated in the trust fund record book, were accounted for. The unexpended balance of trust fund income was also verified. (Schedules A-7-a and A-7-b).

Owing to the failure of one of the duly elected trustees of trust funds to qualify for office by furnishing a surety bond

as required by law, the board of selectmen should make an appointment for the unexpired balance of the term.

LIBRARY

The record of receipts and disbursements of the Library Treasurer was examined and cancelled checks produced which corresponded with cash book entries. The treasurer's balance on hand October 26, 1942, as indicated by the cash book, was in agreement with the reconciled bank balance. (Schedules A-9 and B-4).

TOWN OFFICERS' BONDS

The surety bonds of town officers were found to be satisfactory as to form and amount. A list of officials, required by law to furnish surety bonds, the surety companies and amounts of bonds for the current year, are included in Schedule B-5.

GENERAL COMMENTS

It is recommended that the treasurer countersign the orders issued by the selectmen and use such orders as checks in place of the present practise of issuing separate checks. This change will also necessitate a slight change in the method of handling highway payrolls. One order-check may be issued to cover the total payroll as at present. This order-check would then be deposited in a special "payroll account" at the bank and the treasurer could issue payroll checks to individual employees against this account.

The accounts and records of all the town officials were found to be in good condition and the accounting procedure in accordance with the standard system prescribed by the tax commission. The thanks of this division is extended to the town officers of Chesterfield for their assistance during the course of the audit.

Under the provisions of Section 31, Chapter 211, Laws of 1939, it is required that this report or a summary of its essential features be published in the next annual report of the Town. The published section should include this letter of

transmittal in its entirety and such essential Schedules as may be deemed of sufficient importance to warrant publication.

Yours very truly,
HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission.

LAWTON B. CHANDLER,
ROGER S. MORRILL, Accountants.

Certificate of Audit

This is to certify that we have audited the accounts and records of the Town of Chesterfield for the fiscal year ended January 31, 1942 and the period from February 1 to October 26, 1942 and have found them correctly cast and propertly vouched. The accompanying schedules reflect, in our ponion, a correct summary of the financial activity for the period under review.

Respectfully submitted,
HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I herein submit by tenth annual report as superintendent of schools.

From a discussion on education after the war, I wish to quote from a report made by the Conservative Party, viz. "Of all the State's activities, education is the basic activity, because it conditions the future character of the entire community." "In war time, the maintenance of these services at a level of high efficiency should have maximum priority."

To meet the ideals of above quotations, I report a few of the several objectives toward which we are aiming: (1) to maintain the purity of the English language, (2) to give greater emphasis on fundamentals, especially in mathematics, (3) to offer a total interpretation of history, geography and economics, (4) to imbue our pupils with a better understanding of the vital principles of our Constitution and the American Way of life. For the accomplishment of these goals we ask the cooperation of teachers, parents and citizens.

CALL FOR TEACHERS

Due to the call of war service, defense work and office work, many teachers have given up the teaching profession. As a result I have had to resort to commercial advertising in order to keep open some of the rural schools.

As conditions may be worse next year, I suggest that former teachers take advantage of the opportunity of attending the Summer School at Keene and thus place themselves in position to qualify with the regulations of the State Board of Education.

I believe this to be a patriotic gesture.

SCHOOL DISTRICT MEETING OF THE TOWN OF CHESTERFIELD, N. H.

Town Hall, March 10, 1942

The meeting was called to order at 2.00 p. m., by the Moderator, Daniel P. Schlichting and the warrant was read by the Clerk.

The Articles of the Warrant were disposed of in the following manner:

Article 1. To choose a Moderator for the coming year. Daniel P. Schlichting was nominated and there being no other nominations, it was moved and carried that the Clerk cast one ballot for Daniel P. Schlichting for Moderator. This was done, he was declared elected and took the oath of Office administered by the Clerk.

Article 2. To choose a Clerk for the ensuing year. Norman J. Langmaid was nominated, and there being no other nominations, the Moderator was instructed to cast one ballot for him for Clerk. This was done, Norman J. Langmaid was declared elected, and received the oath of office from the Moderator.

Article 3. To Choose a Member of the School Board for the ensuing three years. The motion was made and carried that paper ballots be cast for this election. This was done and preparations were made for such voting, which resulted as follows:

Number of votes cast,	91
Necessary for choice,	46
Alice L. Spaulding received,	72
Ardelle Haskill received,	19

Alice L. Spaulding was declared elected as a member of the School Board for three years and received the oath of office administered by the Moderator.

Article 4. To choose a Treasurer for the ensuing year. Evelyn L. Winn was nominated and there being no other nominations, the Clerk was instructed to cast one ballot for her for Treasurer. This was done, Evelyn L. Winn was declared elected and the oath of office was administered by the Moderator.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officer or agents of the District. It was moved and supported that this article be passed over. This was done.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto. Moved and carried that we pass over this article.

Article 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant. It was moved and carried that the Town Auditors also serve as the Auditors of the School District as in other years.

Article 8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of Public Schools and the payment of the statutory obligations of the District, as determined by the School Board in its Annual Report. The motion was made and carried that the sum of $14,179.97 (Town Report, page 127) be assessed to be raised to meet the requirements of the School District.

Article 9. To see if the District will vote to raise the sum of one thousand dollars ($1,000.00) to help pay the transportation of children going to High School. It was moved and carried that we ask Mr. Bank, a representative of Peoples' Bus Line of Brattleboro, Vt., to explain what they would do in regard to Bus transportation and what the approximate cost would be. This was done and an enlightening question and answer period followed. The one thousand dollars being insufficient to pay probable transportation cost, even counting possible reduced rates for a Student Contract for a year; it was moved and supported that we raise $2,500.00 to pay

the cost of such transportation in full. The motion was defeated by voice vote.

Article 10. To see if the District will vote to appoint a committee to investigate the advisability of school consolidation for Chesterfield; said committee to report at the next District meeting. Moved and carried that this article be passed over.

Article 11. To transact any other business that may legally come before this meeting. It was moved and supported that Article 9 be reopened; but the motion was lost by voice vote. Attention was called to the fact that he original article had not been acted upon, and that under this said article we had only voted down another motion. Article 9 was then reread by the Clerk. The motion then made and carried affirmatively that this article be passed over. There being no other business to transact, it was moved and supported that we adjourn. The motion was carried and the meeting was adjourned at 3.20 p. m.

REV. NORMAN J. LANGMAID,
District Clerk.
